OAKRIDGE FEE STRUCTURE for 2024

Dear Parents , Guardians and Friends of Oakridge College,

After consulting with the school accountant and the school's advisory council, fees for 2024 will be increased by 5%. The fee structure for 2024 will be as follows:

Fee Structure for 2024

There are four methods of payment of school fees for 2024. They are:

1. **Annual fees:**

There are two options. Fees paid by the 31st of December 2023 carry a greater discount than those paid in full by the 31st of January 2024.

2. **Termly fees:**

These fees are to be paid by the **first day of the new term**. The learners of parents who choose this option will not be allowed to attend school unless the fees are paid in full, before the first day of the commencement of the school term.

3. **Monthly Debit Order:**

This is the preferred method of payment, as it helps the school with its cash flow. The debit order run occurs between the 25th and the 1st of each month. Debit orders that are not honoured will each time **accrue** a **R 350** penalty for each time payment on the debit order has not been honoured.

4. **EFT Payments:**

Unfortunately many parents who have chosen to pay via **EFT** have not honoured their obligations either timeously, or not at all. Parents and Guardians who want to pay monthly may only do so by **DEBIT ORDER**.

5. Learners who have **OUTSTANDING FEES** from 2023 will not be allowed back to Oakridge in **2024** unless the following has occurred:

5.1 Outstanding fees are settled by the 7th of January 2024.

OR

5.2 A monthly payment plan is put in place over and above the normal monthly fees and an acknowledgement of debt is signed. The monthly fee plan must be by debit order.
